The filing of this Information Disclosure Statement shall not be construed as an admission that the information cited is, or is considered to be, material to patentability, or that no other material or information exists. Applicants hereby expressly reserve the right to swear behind the effective dates of any of the references. Applicants further reserve the right to question the relevance and materiality of the references in whole, in part or in combination subsequent to the filing of this statement.

Disclosed on the attached form PTO-1449 is a listing of the prior art references. The Examiner is respectfully requested to consider each of the cited references and, after such consideration, initial the enclosed Form PTO-1449 in the spaces provided next to each reference. Please return a copy of the initialed Form PTO-1449 with the next communication transmitted to the Applicants.

Legible copies of the items listed in Form PTO-1449 accompany this Information Disclosure Statement. Any markings, underlining, notations or the like present in any reference are not to be construed as drawing the Examiner's attention to or away from other parts or portions of the reference.

Respectfully submitted,

Robert W. Mason
